

TRAN TUAN

☎ 0326405056 ✉ tuantran1245@gmail.com 📍 Viet Nam, Vietnam

7 years experienced full stack developer with Solution Architect Certification.
Proficient with Java & NodeJS for back end, ergonomic with React for front end.
I've built some game with C# and Unity.
Could learn many languages and technologies in very short period of time.
Clean coding, ergonomic, good Photoshop and UI design skill, mobile first and responsive designing mindset.
Good documentation and communicating skills.
Planned to be a good solution architect in the near future.
